

## Wedding Dresses after the Divorce: Problem or Opportunity?

**Julz Burgisser**  
**What Do I Do With This Dress**

--

### Show Blurp

Julz is 35 years old, divorced and riddled with baggage. Some taking up more room in the closet than others. Yet somehow, despite being convinced that cupid hates her, she still has hope... and that damn amazing wedding dress. So get the girls together, single, married or divorced, and get ready for a glamorous night of singing and laughter as Julz mixes parody songs with hilarious stories of finding herself again. Help her to answer once and for all "What Do I Do With This Dress?".

*"cheeky, enthusiastic smiles and playful banter ... fun and flirty"* – Art Murmurs, NZ

### Information

This is Julz Burgisser's first solo show and her second time wearing the wedding dress at a big event. Julz is not only a comedian but a lead singer of a local Rock n Roll covers band called WINK and is excited to be combining both of her passions in this show.

Julz isn't angry about her divorce, she's even still friends with her ex. She wants to help take the stigma away that divorce is dirty or that divorcees are quitters. It's not something that you should feel bad about. You haven't failed at life and you're not a bad person. It's time to have a laugh about it all instead.

Leading up to the show Julz will be taking dares from the public for things she could do in the wedding dress and filming snippets of these in order to capture people's reactions and gauge once and for all, what is and isn't ok to do in a wedding dress. You'll be able to see these and interact even placing dare ideas yourself, on YouTube and Facebook. We'd love for the darers to be part of completing it too, as a real touch of meeting the audience. Maybe you have a simple dare that we could do? Maybe you have a wedding dress too? Let's get together and have some fun.
