## Born to Be Wild

**Brendan Kelly brings Caveman to NZ International Comedy Festival powered by Flick Electric Co.**

--

Brendan Kelly is a caveman.

In a past life he was a clarinet teacher, a shopping mall Santa Claus, stuffed animal impersonator and comedian.

But not anymore. Exhausted by the bustling metropolis of Queen Street, he is abandoning his lofty career goals to live in a cave in rural New Zealand.

"People are always assuming I live underground anyway, and this will really save on rent," he says.

He's going out with a bang. Anecdotes, puns, fireworks, revenge, baking, car chases and giraffes – all or at least some of these things will be involved in this hour-long farewell to the comforts of home.

After successful performances in the 2015 and 2016 Festivals, the 26-year-old Kiwi brings his first solo show to the New Zealand International Comedy Festival in May 2017.

See him now before he departs civilisation forever\*.

\*Or until he gets hungry.

**"Brendan Kelly is a very smart comedian with genuinely original material. Most importantly though...very funny."** – Brendhan Lovegrove

**"...hilariously bizarre...I had silent streams of tears running down my face."** – thespeakeasy.co.nz
