## IDEAS SO BAD YOU CAN'T HELP BUT LAUGH

Colossal Productions Presents

### LASER KIWI

Zane Jarvie, Imogen Stone, Degge Jarvie

--

A show full of great ideas that didn't quite make it - like the laser kiwi flag.

Watch three award winning Kiwi performers construct a show out of the forgotten pages of their notebooks. Ideas that are amazing but don't have a home, ideas that were just too average to be used anywhere else and ideas that frankly make very little sense.

If you like lighting candles with your toes, zebras, or Japanese game shows this show has it all. If you don't like these things, it has other stuff as well.

After its debut in Canada the trio are more than excited to re-launch the show on home soil as part of the New Zealand International Comedy Festival powered by Flick Electric Co. Mixing stand up, physical comedy and circus they meld their diverse performance backgrounds into one hilarious and incredible show.

All the ideas are ridiculous, all the ideas are a little average, but together they are perfect. Here is an idea - don't miss it!
