

2017 Edinburgh Fringe 'Best Newcomer' Nominee heads to NZ

comedy.co.nz productions presents

LAUREN PATTISON in LADY MUCK

Following a hugely successful sell-out Edinburgh Fringe 2017, one of the brightest young talents on the UK comedy scene, **Lauren Pattison** will debut her award winning show **Lady Muck** at The Classic Studio from Sat April 28.

Not one to shy away from discussing personal and sensitive topics, Lauren is true to her roots and this proud Geordie doesn't hold back on letting her heritage shine through.

Lauren Pattison wants to be a better woman, at the age of just 23 years old this lady has lived and in her debut show **Lady Muck** she wants to share with you what she's learnt (so far).

Lady Muck is Lauren Pattison at her finest - brutally honest and taking on issues that are faced in so many of our everyday lives; body image, relationships, mental health, being deemed 'responsible' and (of course) online dating. There's a pertinent message in **Lady Muck** one that Lauren delivers with her no nonsense, relatable and realist approach. Fuelled by heartbreak and hangovers, it's a show about embracing your flaws and learning to love the skin you're in. This no holds barred hour looks at breaking up, breaking down, and piecing together who you are.

"Tremendous coming-of-age tale with razor wit and brutal honesty.." The List, Edinburgh
