

## **Fucking hell, shit is going to get reeeeeeeal!**

Notorious\* and a Bunch of Comics Proudly Present

### **A Very Notorious Late Night Show**

--

When we here at Notorious\* found out there was potentially a spot for a late show at the Basement, we jumped at it. The first thing to do was to secure our duo-hosts, with the idea we'd give each night a theme and let them run with it. Here's what we came up with;

Saturday 5<sup>th</sup> – David Correos & Donna Brookbanks, Salsa Night

Saturday 12<sup>th</sup> – Dai Henwood & Justine Smith, Games Night

Saturday 19<sup>th</sup> - Ben Hurley, Jamie Bowen and the 22 Rant About Fuck Band, Punk Revolution! Night

The idea is that this will be a comics playground, where they can have fun and mess around. The hosts have been chosen to make sure the vibes are positive, and there is good times had by all.

When you've seen a show, and you feel like something more, this is going to be a bloody idea scenario. Cheap as chips and you get to hang out at the amazing Basement bar beforehand.

In the lead-up to the festival we'll be working to book both the best acts in the festival and a bunch that aren't, so it will be your exclusive chance to see them.

Line ups will be announced the Monday before the show at [www.ncomedy.com](http://www.ncomedy.com) and [www.comedyfestival.co.nz](http://www.comedyfestival.co.nz)
