Cheap beer and the meaning of life...

Penguins & Pandas Presents

Tony Lyall Happy Hour

--

Are you happy? For some people it can be the hardest question in life to answer, for others the easiest. In this hour of stand-up comedy, Tony is going to do his best to answer that question, or at least have a few beers in the meantime.

Everyday people strive to be happy, but what does it all mean, what's it all for and why haven't you ever seen a horse swimming at the town pool? All these questions will be answered as we sit down and have a candid chat over a pint about happiness, which is the one true meaning of life.

For 5 nights in May the Cellar at Q Theatre will turn into a pub for philosophers to celebrate Happy Hour.

"Self-deprecating and able to steer the show mercilessly toward the vibe of the audience, these two misplaced gems are ones to keep an eye on" - KeepingupwithNZ

"Unfaltering and contagious energy throughout" - The Speakeasy

"Hecklers beware – thou shalt be burned" - KeepingupwithNZ
